As a user of DJJ's BADGE/CPR/DOORS systems, I understand and agree to abide by the following terms which govern my access to and use of these information technology services:

1. Access has been granted to me as a necessary privilege in order to perform authorized job functions for the Commonwealth. I understand and agree that I am prohibited from using or knowingly permitting use of any assigned or entrusted access control mechanisms (such as log-in IDs, passwords, terminal IDs or user IDs) for any purpose other than those required to perform my authorized job functions;
2. I understand and agree that I will not disclose information concerning any access control mechanism of which I have knowledge unless properly authorized to do so, and I will not use any access mechanism which has not been expressly assigned to me;
3. I agree to abide by all applicable Commonwealth of Virginia policies, standards and guidelines and DJJ policies and procedures, which relate to the security of Commonwealth information technology services and the information contained therein;
4. I agree that my obligations with respect to the confidentiality and security of all information disclosed to me shall survive the termination of any agreement or relationship with DJJ;

By signing this agreement, I hereby certify that I understand the preceding terms and provisions and that I accept the responsibility of adhering to the same. If I observe any incidents of non-compliance with the terms of this agreement, I am responsible for reporting them to the DJJ Information Security Officer and my supervisor as soon as reasonably possible. I further acknowledge that any infractions of this agreement could result in disciplinary action, including but not limited to the termination of my access privileges.
