

Virginia IEP EdPlan Connect Parent Portal:

With Virginia IEP EdPlan Connect, parents/guardians have a centralized, secure place to:

- Sign IEP documents electronically and conveniently
- Access and view Special Education / Section 504 documents online
- View student progress on IEP goals online

Once an IEP or 504 meeting has been held and the document finalized, the parent will receive an email from “support@easyiep.com,” which will walk you through the steps for signing and/or viewing documents. For further assistance with this process contact:
